Application and Rental Procedures

Most of our rentals do not allow pets. Please ask for more information if you have a pet.

Vacant units have a specific move-in date. Please make sure this move-in date fits with your schedule prior to filling out an application.

Occupied rental units are subject to the existing tenant vacating on time.

Rental eligibility is based upon income, employment history, rental history and credit history. All of these factors are considered during the application review process.

Applicants will need to supply 2 most recent pay stubs, checking and savings account statements, and any additional information needed to verify applicants' ability to pay rent.

A fully completed application and \$20 processing fee is required for all persons 18 years of age and older. The application processing fee is non-refundable and covers the cost of credit checks, staff time, phone/fax costs and inquiries needed to verify application information.
